ARTICLE IV **GRIEVANCE PROCEDURE**

- 4.1 A grievance shall mean a complaint by an employee that there has been a violation, misinterpretation or misapplication of the specific provision of this Agreement affecting the employee. As used in this Agreement the term "employee" shall mean either (1) an individual employee, (2) a group of employees having the same grievance, or (3) the Federation. In all cases the Federation shall be provided copies of the grievances and of the written answers thereto.

4.2 Grievances must be processed in the following manner:

- Step 1: The employee or a Federation representative (if the employee so desires) shall first discuss the grievance with the immediate supervisor (the principal or his designee) with the objective of resolving the matter informally, and in the event that the employee is not satisfied, the grievance shall be submitted in writing to the immediate supervisor. It shall contain a statement of the facts, the remedy requested, and reference to that provision of this Agreement, if any, which the employee claims has been violated. Such immediate supervisor shall meet with the employee and the Federation representative (if the employee so desires) prior to making a decision, but in any event must render a decision in writing with copies to the employee and the Federation within ten (10) school days of the submission to the supervisor of the employee's written statement of grievance.
- Step 2: If the grievance is not settled in Step 1 within the required time, the employee or a Federation representative (if the employee so desires) may, within ten (10) school days, appeal in writing to the Superintendent or his designated representative. The Superintendent and/or his representative shall meet with the employee and a Federation representative (if the employee so desires) and may include at such meeting any other individuals concerned. Such meeting shall be held within ten (10) school days of the receipt by the Superintendent of the employee's appeal. The Superintendent or designated representative shall give written answer to the employee and the Federation within ten (10) school days of the conclusion of such meeting.
- Step 3: If the grievance is not settled in Steps 1 and 2 within the required time, and if the Board and the Union *mutually agree* within ten (10) school days of the decision of Step 2 by the Superintendent or his/her designee, the parties may submit the grievance for mediation with the State Board of Mediation and Arbitration. If either party chooses not to proceed to mediation then the Federation shall proceed to Step 4 within ten (10) school days of the decision of Step 2. If the parties mutually agree to mediation, any and all costs for mediation shall be borne equally by both parties.
- Step 4: In the event a satisfactory solution to the grievance does not result by following the procedure set forth in Steps 1-3, the Federation, within ten (10) school days of receipt of the decision of the Superintendent, or within ten (10) days of the failure to reach a resolution through mediation if the parties mutually agreed to participate in mediation, may submit the grievance to binding arbitration by the American Dispute Resolution Center or any dispute resolution alternative that both parties agree to. Any and all costs for arbitration shall be borne equally by both parties.

- 4.3 Any grievance, as defined above, not presented for disposition through the grievance procedure set forth above within ten (10) school days of the occurrence of the condition giving rise thereto, or within ten (10) school days of the employee's knowledge of its occurrence, whichever comes later, shall not thereafter be considered a grievance under this Agreement. Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the aggrieved to proceed immediately to the next step. Failure at any step to appeal within the specified time limits shall be considered acceptance by the aggrieved of the decision rendered. The time limits specified at any step may be extended in any particular instance by the agreement between the Superintendent and the Federation.
- 4.4 Any grievance which the immediate supervisor does not have the power to resolve may be filed at Step 2.

ARTICLE V **TERMS OF EMPLOYMENT**

- 5.5 Unless a greater rate is provided for per the terms of this Agreement, premium overtime, which is defined to mean payment of one and one-half (1 ½) times the employee's straight time hourly rate, shall be paid to regular full-time employees and regular part-time employees for each hour, or portion thereof, worked in a work week in excess of thirty-seven and one-half (37.5) hours.
- 5.6 When the Superintendent of Schools, or his or her designee, opens school late or closes school early due to an emergency, members of the bargaining unit will be compensated at their daily rate provided the employee has worked the shortened day.
- 5.7 Employees shall be paid for hours worked beyond the normal workday, provided that the immediate supervisor and Director of Human Resources have approved such additional work in advance.

- 5.8 A special education paraeducator may be temporarily diverted to other Special Education paraeducator duties only under emergency circumstances and until a substitute is in place. Such a diversion may not exceed fifteen (15) consecutive school days.

- 5.10 A paraeducator shall not be expected or required to render first aid and the Board shall inform paraeducators of legal aid restrictions. (It is understood that Early Childhood, Headstart and Readiness paraeducators must maintain certification in CPR and First Aid and may be expected or required to render CPR or First Aid.)
- 5.11 Paraeducators shall be notified in writing annually of their tentative assignments for the following year no later than the last day of the school year. Such notification shall include job category, total number of hours of employment, and building assignment. The Board shall provide paraeducators with written notice of their summer staffing assignments as soon as determined by Human Resources.

The Job Posting shall include the number of days in the extended school year and a calendar shall be available to the Federation President at the time of the posting. If an Early Childhood Education program is changed from the normal work year to an extended year, the paraeducator who is in that position shall have the option of working the extended year for the initial year. If the paraeducator does not elect to work the extended year in the following year, then the position shall be posted and filled according to Section 5.13 above.
- 5.15 The Board will provide two (2) paid days of in-service training for paraeducators, which the Board shall schedule on the system-wide full days of staff development. Upon prior arrangements with the Board, the paraeducators shall have the option of attending the in-service programs designed by the Federation or attending the in-service program appropriate for the assignment. During such probationary period, the bargaining unit member will be entitled to all provisions of this agreement with the exception of the grievance procedure and the just cause provision in Article XV, Section 15.1. During such probationary period, the bargaining unit member may be disciplined and/or discharged at the sole discretion of the Board and such discipline and/or discharge shall not be the subject of a grievance under this agreement.

ARTICLE IX

- A. The Salary Schedule shall consist of six (6) steps.
- B. Each employee shall advance a step on the salary schedule at the beginning of each school year. New employees must have served in the position for a period of ninety-one (91) school days in the previous year. In order to advance an employee must have performed satisfactorily.

Unless mutually agreed upon by the Board and the Federation, at no time shall an employee be eligible for more than one differential under this Section.  - 3. If the disability sick leave commences between February 1 and August 31, the child-rearing leave shall extend for the remainder of the school year and may extend for the next full school year if the employee elects to do so in writing at the time the leave is requested. Notification of intent to return shall be submitted by April 1 of the calendar year in which the employee plans to return. Failure to notify will constitute a resignation.
- C. The paraeducator will be reinstated to a position for which the individual is qualified provided such person's status has not been affected by Article XIV of this Agreement.
- D. Bargaining unit members who go on an approved leave for more than fifty (50%) percent of the school year will remain at their current step for the following year.
- E. Employees may continue their existing health insurance coverage during their child-rearing and/or child-bearing leave, up to a maximum combined total of twelve weeks, by paying the current employee contribution. The twelve week maximum shall include sick and personal leave and Family Medical Leave. Employees whose leave exceeds the maximum combined total of twelve weeks and who have exhausted their Family Medical Leave shall be entitled to continue their existing health insurance coverage during the balance of their child-rearing or child-bearing leave by paying seventy-five (75%) percent of the cost of such coverage. Such provision shall be for a maximum of one (1) calendar year. Child-rearing and/or child-bearing leave shall run concurrently with sick and personal leave and Family Medical Leave.
- F. Credit towards longevity will not be granted for this leave.

- G. Sick leave not used during disability leave shall be restored upon return to the system.

ARTICLE XIII
VACANCIES AND TRANSFERS

- 13.1 If the Board decides to fill vacancies in existing positions, or newly created jobs, they shall be posted within ten (10) business days of their occurrence. Postings shall include the following information regarding the available position: school, hours, qualifications, job classification, program, salary, and general job responsibilities. Such notices shall be posted on bulletin boards in schools and the Central Office Bulletin Board, for a period of six (6) business days. Copies of all postings shall be given to the Federation President. Paraeducators who have been awarded a job posting may not post into a new position for one (1) school year.
- 13.2 Except as provided in Section 13.3 below, in filling a vacancy as a result of a posting as set forth in Section 13.1 above, the Board will consider all bargaining unit candidates, and shall use the following criteria in filling such vacancy: seniority and qualifications. If in the opinion of the Director of Human Resources two or more bargaining unit members are equal in qualifications, the most senior employee shall be appointed to the vacant position. If no bargaining unit applicant is deemed qualified, then candidates from outside the school system may be considered.
- When requested by the Federation, the Board shall provide reasonable justification and explanation why an internal candidate was excluded from being awarded the position to fill the vacancy.
- 13.3 Vacancies in existing or new positions, which the Board wishes to fill, that occur after the first day of school shall be posted according to the preceding section. Bargaining Unit members may apply for said positions, but for reasons of continuity of instructional programs, or to satisfy other educational purposes, the Board may fill the positions from outside the bargaining unit, provided that any laid off member of the bargaining unit who is qualified for the position has been recalled. Exceptions to this section shall be vacancies, which occur after June 1st, and prior to the second Monday in August, which shall be filled according to Section 13.2 above.
- 13.4 No involuntary transfer of paraeducator other than Instructional Paraeducators, or for reasons associated with inclusion, will occur after the first day of school, except in emergency circumstances such as death, resignation, or emergency school closing, or by agreement with the affected paraeducator after consultation with the Federation. Before an involuntary transfer is made, consideration may be given first to those paraeducators who have expressed a desire to transfer.

- 13.5 When an involuntary transfer is necessary, the transfer shall be made only after a meeting between the paraeducator, a Federation representative if the paraeducator so desires, and the Director of Human Resources is held, at which time the paraeducator will be notified of the reasons for the transfer. The paraeducator involuntarily transferred shall be the least senior employee in that category/program within the building losing the paraeducator position.
- 13.6 In the event that a position is eliminated for the up-coming school year, the Board shall make every reasonable effort to notify the affected paraeducator as soon as possible.

ARTICLE XIV
REDUCTION IN FORCE AND LAYOFFS

- 14.1 In the event a reduction in force becomes necessary, the employee with the least seniority in the bargaining unit shall be laid off first, unless otherwise specified below. The specific procedures for reduction in force are as follows:
- A. If one or more employees are displaced due to elimination of their positions, the employees shall have a choice of any available positions in order of seniority, with the most senior employee having the first choice, provided the employee is capable of performing that work.
 - B. If there is no available position, each employee shall be permitted to exercise his/her seniority rights to replace the employee who has the least seniority in the bargaining unit, provided the employee is capable of performing that work, or shall be laid off and be placed on the recall list.
 - C. If it is not possible to identify which employee's position has been eliminated, the position held by the least senior employee in such a position shall be presumed to have been eliminated.
- 14.2 Paraeducators who are laid off shall be placed on a recall list for a period of one year, and shall be reemployed on the basis of length of service. When employees are to be recalled, the first to be recalled shall be those last laid off, provided that such employees recalled are capable of doing the work then available.
- 14.3 Except as provided in Section 7.2, seniority shall be defined as an employee's continuous length of service with the Board from said employee's most recent date of hire, regardless of hours worked.
- 14.4 Seniority shall not diminish during any period of layoff during which a person has recall rights, but no additional seniority shall accrue.
- 14.5 Any person on the recall list who declines an offer of reemployment or who fails to respond in writing to a notice of an opening within ten (10) calendar days after mailing shall be

deemed to have refused to accept reemployment and shall be removed from the recall list. Personnel who are reemployed from a recall list shall be entitled to reinstatement of sick days, length of service credit and placement on the salary schedule at the level above the level held when laid off, if such layoff takes place at the end of the school year. If layoff and reemployment transpire within the same school year, employees shall be entitled to placement on the same pay level as when they were laid off.

ARTICLE XV
DISCIPLINE/DISMISSAL

- 15.1 All disciplinary action must be for just cause, and shall be applied in a fair manner.
- 15.2 Employees shall be given a written notice of any disciplinary action within thirty (30) days of the conclusion of the Board's investigation of the incident. Copies of all notices of discharge shall be mailed to the Federation three (3) working days after due notification to the employee.

ARTICLE XVI
NO STRIKE CLAUSE

- 16.1 The Federation agrees that it will not call, authorize, instigate, sanction, or condone any strike, slowdown, or stoppage of work during the period of this Agreement or any extension thereof.

ARTICLE XVII

- 17.1 This Agreement contains the full and complete agreement between the Board and the Federation. Neither party will be required during the term thereof to negotiate upon any issue in this Agreement.
- 17.2 This Agreement may be altered or modified only by mutual agreement of the parties hereto in writing.
- 17.3 This Agreement shall take effect July 1, 2018 and shall remain in full force and effect through June 30, 2021, and shall automatically renew itself for an additional term of one year and all provisions shall remain in effect with the same force as with the original term.
- 17.4 The parties agree to contact each other on or before March 1, 2021 to schedule negotiations for a successor Agreement.

17.5 In the event that any portion or portions of the Agreement are found to be illegal, void or voidable, it is agreed that such finding will have no effect on the remaining portion or portions of this Agreement.

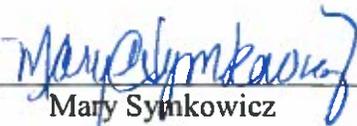

IN WITNESS WHEREOF, the parties hereto have hereunto caused this Agreement to be executed by their duly authorized representative this 21st day of May, 2018.
