THE TOWN OF MANSFIELD
and
THE UNIFORMED PROFESSIONAL FIRE FIGHTERS OF CONNECTICUT**

**ARTICLE I
RECOGNITION**

- 1.1** The Town of Mansfield (the “Town”) recognizes the Uniformed Professional Firefighters of Connecticut (the “Union”) as the exclusive representative of all uniformed fire fighters employed by the Town, with the exception of the Fire Chief and/or any chief or deputy chief, and all volunteer members of the Mansfield Fire and Emergency Services who may be appointed by the Town and meets the definitions of exclusion from the bargaining unit by the Connecticut State Board of Labor Relations.
- 1.2** For the purposes of this Agreement:
- a. A full-time employee is one who is regularly scheduled to work an average of forty-two (42) hours per week.
 - b. A part-time employee is one who works fewer hours than an average of forty-two (42) hours per week on an annual calendar year basis. Partial weeks (less than seven days) from the first and last weeks of the calendar year will not be used in calculating the average hours worked

**ARTICLE II
NON-DISCRIMINATION**

- 2.1** All provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination because of race, color, creed, religion, sex, age, national origin, marital status, sexual orientation, genetic makeup, gender identity, political affiliation, union membership, military service and veteran’s status, disability, except on the basis of bona fide occupational qualification or business necessity, or any other protected class. In recognition of the employee’s alternate remedies under state and federal law, and the Town’s Anti-Discrimination policies as provided for in the Town’s Personnel Rules dated January 23, 2012 and may be amended from time to time, no grievance may be filed alleging breach of this provision.

**ARTICLE III
NO STRIKE--NO LOCKOUT**

- 3.1 The Union and the employees expressly agree that there will be no strikes, slowdowns, picketing during working hours, work stoppages, mass absenteeism, mass feigned illness or other similar forms of interference with the operation of the Town.
- 3.2 The Town agrees that it will not lock out the employees covered by this Agreement during its term.
- 3.3 Any or all employees participating in such strike or other prohibited activity described above in Section 1 shall be subject to disciplinary action by the Town up to and including discharge.

**ARTICLE IV
MANAGEMENT RIGHTS**

- 4.1 Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Town has and will continue to retain, whether exercised or not, all the rights, responsibility and prerogatives of management of the affairs of the Town and direction of the workforce, including, but not limited to, the following.
 - a. To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Town.
 - b. To establish or continue policies, practices and procedures for the conduct of Town business and, from time to time, to change or abolish such policies, practices or procedures.
 - c. To discontinue processes or operations or to discontinue their performance by employees.
 - d. To select and to determine the number and types of employees required to perform the Town's operations.
 - e. To employ, transfer, promote or demote employees, or to lay off, terminate for just cause or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Town. The Town may establish contracts or sub-contracts for operations provided that this right shall not be used for the purposes or intention of laying off bargaining unit employees, undermining the Union, discriminating against its members, or reducing the number of full-time Firefighter/EMTs.

- f. To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Town, provided such rules and regulations are made known in a reasonable manner to the employees affected by them and to the Union.
- g. To create job specifications and revise existing job specifications as deemed necessary and to ensure that related duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees provided that, upon request, the Town agrees to negotiate with the Union regarding any significant impact which any change in job specifications may have on employees' wages, hours or other terms of employment.
- h. To ensure that related duties connected with Town operations, whether enumerated in job descriptions or not, shall be performed by employees.

ARTICLE V UNION SECURITY

- 5.1 As a condition of employment, all employees in the bargaining unit shall become and remain members of the Union in good standing within thirty (30) days of hire, or, if the employee chooses not to become a member of the Union, then the employee shall pay an agency service fee. The agency service fee shall be that proportion of Union dues which is expended for the purposes of collective bargaining, contract administration and grievance processing.
- 5.2 The Town agrees to deduct Union dues and/or fees from the pay of those employees who voluntarily authorize such deductions in writing or agency service fees established by the Union for non-members. The Town shall submit same to the Secretary-Treasurer of the Union no later than the fifteenth of each month.
- 5.3 The deduction of Union dues and dues during any month shall be made during the applicable month and shall be remitted to the financial officer of the Union not later than the third Thursday of the following month. The monthly dues remittance to the Union shall be accompanied by a list of names of employees from whom wage dues deductions have been made.
- 5.4 The Union shall supply to the Town written notice at least thirty (30) days prior to the effective date of any change in the rates of fees and dues.
- 5.5 No dues or fees will be deducted when an employee has exhausted accumulated sick leave or is collecting workers' compensation or whose earnings are insufficient to cover dues after taking other legally required deductions.

- 5.6 The Union shall indemnify and hold the Town harmless from any and all demands, suits, complaints, claims, costs and liabilities including reasonable attorney's fees and the cost of hearings caused by or arising out of the administration or enforcement of this article.

ARTICLE VI GRIEVANCE PROCEDURE

- 6.1 The following terms are agreed to mean as stated below.
- a. "Grievant" is defined as any member of the bargaining unit and may include a group of employees similarly affected by a grievance or the Union. "Town" shall mean the Town or an agent of the Town, at the Town's option. Nothing contained herein shall prevent an employee from presenting his/her own grievance and representing himself/herself. However, only the Union may proceed to arbitration.
 - b. "Days" are defined as week days (Monday through Friday) and shall exclude Saturdays, Sundays and holidays.
 - c. "Grievance" shall mean a claim that there has been a violation, misinterpretation or misapplication of a specific provision of this agreement.
- 6.2 The following time limits are established regarding grievances.
- a. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. The time limits specified may, however, be extended by written agreement of the parties.
 - b. If an aggrieved person does not file a grievance in writing at Step 1 within ten (10) days after the employee knew or reasonably should have known of the event or condition giving rise to the grievance, then the grievance shall be considered waived.
 - c. Failure at any step of this procedure to communicate a decision within the specified time limits shall be deemed denial of the grievance and shall permit the aggrieved person to proceed immediately to the next step. Failure at any step to appeal within the specified time limits shall be deemed to be acceptance of the last decision rendered.
 - d. Any time limits specified within this article may be extended by written mutual agreement of the Union and the Town, provided that if the grievance is not submitted to a higher step in the above procedures, it shall be deemed settled on the basis of the Town's answer in the last step considered.

6.3 Step One – Fire Chief.

Either the Union or an aggrieved employee who wishes to pursue a grievance shall present the grievance in writing to the Fire Chief within ten (10) days after the employee knew or reasonably should have known of the event or condition giving rise to the grievance. The grievance shall set forth the underlying facts and references to the specific provisions of the contract which the Union or the employee claims have been violated. A meeting to discuss such grievance, including at least one officer or business agent of the union and the Town, will be held no later than fifteen (15) days from the date of the request for such a meeting by either party unless otherwise agreed upon by the parties. Within fifteen (15) days following such meeting, the Fire Chief shall render his/her decision and the reasons therefore in writing to the grievant(s). A copy shall be sent to the Union representative designated on the grievance form.

6.4 Step Two - Town Manager.

If the grievant(s) or the Union is not satisfied with the disposition of the grievance at Step One, the grievant(s) or the Union may, within ten (10) days of receipt of the decision at Step One, refer the grievance to the Town Manager. A meeting to discuss such grievance, including at least one officer or business agent of the union and the Town, will be held no later than fifteen (15) days from the date of the request for such a meeting by either party unless otherwise agreed upon by the parties. Within fifteen (15) days following such meeting, the Town Manager shall render his/her decision on the grievance in writing to the grievant(s) with a copy to the Union.

6.5 Step Three - Arbitration.

Within fifteen (15) days after receipt of the Town Manager's decision, the Union may submit the grievance to arbitration and will provide notice of the filing to the Town Manager in writing. If the grievance involves a suspension equal to or greater than forty two (42) hours for a full-time employee or twenty four (24) hours for a part-time employee or discharge of an employee, the Union shall file the grievance with the American Dispute Resolution Center and Arbitration shall proceed in accordance with the rules of the American Dispute Resolution Center. Any other type of grievance may be filed with the Connecticut State Board of Mediation and Arbitration. All arbitrations shall proceed in accordance with the following:

- a. The arbitrator shall hear and decide only one grievance in each case. The arbitrator shall have no power in any matter to make an award that amends, adds to, subtracts from, or eliminates any provision of this Agreement. The arbitrator shall be bound by, and must comply with, all terms of this Agreement.
- b. The arbitrator shall, within thirty (30) days after the hearing, render his/her decision in writing to the parties in interest, setting forth his/her findings of fact, reasoning

and conclusions. Such decisions shall be binding on all parties except as provided by law.

- c. The costs of the arbitrator's fee shall be borne equally by both parties. It is understood that each party is responsible for its own costs for legal counsel, expert witnesses and other expenses.
- d. No employee may proceed to arbitration on his/her own; only the Union may submit a grievance to arbitration.

ARTICLE VII PROMOTIONAL VACANCIES

- 7.1 All appointments and promotions shall be made in accordance with the Town's merit system, including a review of the candidate's length of service with the Town, training, experience, and education. Full-time openings for Firefighter/EMT's shall not be considered promotional vacancies.
- 7.2 When the Town determines a promotional vacancy is to be filled, the Town agrees to post a notice of the vacant position via email and on the employee intranet. The notice shall be posted for a period of not less than five (5) working days.
- 7.3 Bargaining unit employees shall be eligible to apply for and participate in promotional examinations posted in accordance with §7.2. When and if the Fire Chief determines, in his sole discretion, that an insufficient number of well-qualified internal applicants are available from within the bargaining unit subsequent to an initial posting, the Fire Chief may open promotional examination eligibility to outside candidates in order to provide an adequate number of candidates for consideration, provided that the determination of the Fire Chief in this Section is not arbitrary or capricious. This section shall not apply to hiring processes for entry level positions.

ARTICLE VIII PROBATIONARY PERIOD

- 8.1 Every person appointed to a regular position or a new classification shall be required to successfully complete a probationary period which shall be of sufficient length to enable the Town Manager to observe the employee's ability to perform the principal duties pertaining to the position. The probationary period shall begin immediately upon appointment or promotion and shall be as follows:
 - a. Full-time employees: Twelve (12) months, except the Chief shall have the discretion to reduce the length of the probationary period in situations where a newly appointed full-time employee, immediately prior to and without any

interruption between their full-time appointment, worked for the department as a part-time employee.

- b. Part-time employees: Eighteen (18) months.

Any form of leave, including but not limited to training, attendance at the Connecticut Fire Academy Recruit Training Program, military, compensatory, or worker's compensation leave in excess of fifteen (15) working days shall be excluded from the time counted as probationary period.

An employee appointed to a full-time position who immediately prior to becoming a full-time employee served as a part-time employee for the department who does not successfully complete the probationary period shall be reinstated to the part-time position the employee held prior to becoming a full-time employee. If such position is not available, the employee may displace the last hired part-time employee in the rank or classification occupied immediately prior to becoming a full-time employee, provided the employee remains qualified for that position and the displaced employee is less senior than s/he. If none of these options results in the individual obtaining a position, s/he shall be placed on a reappointment list.

If an employee appointed to a full-time position, who immediately prior to becoming a full-time employee served as a part-time employee for the department, does not successfully complete the probationary period and claims that the decision of the department head was arbitrary, capricious or discriminatory, said employee may process a grievance at Step Two of the grievance procedure but not beyond Step Two.

- 8.2 At any time during the probationary period, for a new full-time or part-time employee the Town Manager, in his/her sole discretion, may terminate an employee. Such action shall be in writing to the employee. If an employee is discharged or disciplined during their initial probationary period, neither the employee nor the Union shall have any right to appeal such action through the grievance or arbitration procedure of this Agreement.
- 8.3 An employee appointed through promotion who does not successfully complete the probationary period shall be reinstated in a position in the rank or classification occupied by the employee immediately prior to promotion if such a position is available and the employee remains qualified for that position. If such position is not available, the individual will be offered an appointment to a similar position for which s/he is qualified if there is a vacancy in such a position. If a position in the same rank or classification is not available, or if a similar position is not available, the employee may displace the least senior employee in the rank or classification occupied immediately prior to promotion, provided the employee remains qualified for that position and the displaced employee is less senior than s/he. If none of these options results in the individual obtaining a position, s/he shall be placed on a reappointment list.

If an employee who fails a promotional probation claims that the decision of the department head was arbitrary, capricious or discriminatory, said employee may process a grievance at Step Two of the grievance procedure but not beyond Step Two.

- 8.4 Nothing herein precludes the Town from extending an employee's probationary period by mutual agreement of the Town and the Union.
- 8.5 Recruit Rate. If the Town in their sole discretion requires new hires to attend the Connecticut Fire Academy Recruit Training Program, such new hires shall be paid at the recruit rate until he/she has successfully completed the Fire Academy Recruit Training Program or a maximum period of six (6) months, whichever occurs first. The recruit rate of pay shall be eighty two and one half percent (82.5%) of Step 1 of the applicable full or part-time firefighter/EMT pay scale as appropriate. New full-time hires, including internal employees hired into full-time positions, who are not required to attend the Connecticut Fire Academy's Recruit Training Program shall be paid at Step 1 of the full-time firefighter/EMT pay scale.

ARTICLE IX DISCIPLINE

- 9.1 No employee who has successfully completed the probationary period shall be discharged or suspended except for just cause.
- 9.2 Other than in the case of probationary employees, any discipline or discharge may be appealed through the grievance procedure of this Agreement.
- 9.3 Former employees who have been dismissed (and not reinstated either as a result of the grievance process or with the Town's agreement) or who resigned while charges were pending will not be rehired by the Town.

ARTICLE X INSURANCE PROGRAM

- 10.1 Medical Insurance. For full-time employees and their dependents the Town will maintain group membership in a PPO and POE/HMO plan through December 31, 2017. Beginning January 1, 2018 for full-time employees and their dependents the Town will maintain group membership in a PPO and HDHP plan. The plan summaries, including information concerning medical, vision and prescription drug coverage and employee co-pays, is summarized in Appendix E of this Agreement. Subject to any plan restrictions, the employee may choose to participate in any of the two options.
- 10.2 The Town and full-time employees agree to share the cost of insurance premiums for the coverage outlined above. The employees are responsible on an annual basis for the

percentage amounts listed below, with the payments to be made by payroll deduction from each check in substantially equal payments.

	<u>Effective July 1, 2014</u>	<u>July 1, 2016</u>	<u>Effective January 1, 2017</u>	<u>Effective January 1, 2018</u>
POE/HMO	17%	18%	19%	N/A
PPO	17%	18%	19%	20%
HDHP	--	--	--	15%

The Town shall continue to provide a program for payment of premium cost shares by pre-tax salary reduction, to the extent permitted by law.

- 10.3** HSA Employer Contributions. For employees enrolled in the HDHP/HSA plan, the Town will fund the following amounts toward the annual deductible for eligible employees based on the employee's level of coverage, into the employee's Health Savings Account (HSA):
- January, 2018 - 55% of the \$2,000 or \$4,000 deductible based on the employee's level of coverage in one payment made on the first payroll in January.

The amount of the Town's contribution towards the deductible for new hires or employees that enroll in the plan due to a qualifying event or open enrollment will be pro-rated based upon the month that coverage in the plan begins. For example if a new hire or employee enrolls in the plan for single coverage, and coverage begins in August, they would receive a contribution equivalent to the total Town contribution amount, divided by 12 months, multiplied by five months (ex for 1/1/18 plan year: $((\$1,100/12)*5)=\458.33).

Deductible amounts for the HDHP Plan are listed in Appendix E.

- 10.4** Dental Insurance. Full-time employees and their dependents may enroll in the dental coverage offered through the Town. Employees will be responsible for the full cost of these benefits. Employees whom elect dental coverage will pay for this coverage through payroll deduction. Upon enrollment, employees and their dependents must remain on the plan for no less than two (2) years from the date of enrollment.
- 10.5** Life Insurance. The Town shall provide each full-time employee with group term life insurance, including accidental death and dismemberment benefits, in an amount equal to the employee's base salary. Changes in base salary will be reported to the insurance carrier in the calendar month following the change in salary.
- 10.6** Change of Carriers. The Town may change the carriers or self-insure for any of the foregoing insurance provided that the benefits shall be the equivalent or better than those provided in the above referenced coverages. The Town is required to obtain agreement from the Union that the benefits are equivalent or better, and such agreement shall not be unreasonably withheld.

10.7 Payment in Lieu of Health Insurance. An employee who elects to waive participation in the health insurance plans identified in Section 10.1, shall be eligible for a payment in lieu of insurance in accordance with the Town's standard plan for such payments, including but not limited to completion of the required waiver of insurance forms provided by the Town. Employees that purchase insurance through another employer's plan that is also in the Town of Mansfield health insurance pool or purchase health insurance through any state health insurance exchange are not eligible to participate in this program. The amount of the payments in lieu of insurance shall be based on the level of coverage for which the employee was previously enrolled, and shall be as follows:

- a. individual coverage -- \$1,200
- b. individual plus one dependent - \$2,400
- c. individual plus two or more dependents - \$3,000

ARTICLE XI WORKERS' COMPENSATION

11.1 Injury Leave. A full-time employee who is disabled as the result of an on-the-job injury which is accepted as compensable under the Workers' Compensation Act shall be placed on injury leave. Employees on injury leave receive continuation of medical and life insurance benefits and continuation of seniority. When an employee is on injury leave, wages will be paid as follows:

- a. In the case of injuries causing temporary disability which necessitate absences of three (3) days or less, the Town shall pay the employee's full gross base pay for that time, since payments are not made under workers' compensation insurance for such benefits.
- b. For periods in excess of three (3) days but not exceeding six (6) months, the Town shall supplement the payments of the insurance company so that the employee will receive full net pay during such absence, based on the employee's regular base pay.
- c. Such injury leave may be extended to a maximum of an additional four (4) months upon the receipt of the Town of the written opinion of the employee's physician, or one furnished by the Town, prior to the initial six (6) month period, that the employee will be capable of resuming his/her duties within such extended four (4) month period.

11.2 Light Duty. The Town shall offer "light duty" to a full-time employee who is temporarily unable to perform the full duties of a firefighter/EMT as a result of an injury that is sustained while on duty for the Town of Mansfield and compensable under the Workers' Compensation Act, subject to the following:

- a. The Town shall offer such light duty if work is available which the employee is able to perform, and only for so long as such work is available. Light duty assignments shall not be unreasonably withheld based on availability, and duration of work.
- b. The restrictions on the employee shall be as determined by a licensed medical practitioner.
- c. The nature and duration of the light duty shall be established by the Fire Chief.

An employee who is offered light duty and refuses the assignment shall forfeit any injury leave payment from the Town. The effect of such refusal on the employee's workers' compensation benefits shall be decided by the Workers' Compensation Commissioner.

The Town may offer "light duty" to full-time employees with other injuries at the discretion of and on approval of the Fire Chief.

- 11.3 Health Insurance While on Worker's Compensation Leave. Health insurance will continue as long as the employee is receiving workers' compensation, as required by law. The Town shall pay its share of the premium for the employee's health insurance; the employee is responsible for his or her cost share of their health insurance premium. Failure by the employee to pay the employee share of the cost of health insurance shall result in a disruption of health benefits subject to the rights of the employee to continue such coverage pursuant to COBRA.
- 11.4 Leave Accruals While On Worker's Compensation Leave. Employees with an approved injury leave in excess of ninety (90) days will no longer be eligible to earn any form of accrued leave after the ninetieth (90) day of such leave until the last day of the calendar month following their return to regular or light duty.

ARTICLE XII COMPLETE AGREEMENT

- 12.1 It is understood and agreed that this agreement contains the complete agreement of the parties, and that it may be amended or altered only by mutual agreement in writing signed by the parties. The Town and the Union agree that each had a full opportunity to raise issues, and that all matters to be included in this agreement have been presented, discussed and incorporated herein or rejected. Accordingly, it is agreed that for the life of this agreement each party voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to in this agreement.

**ARTICLE XIII
SEVERABILITY**

- 13.1 In the event any sentence or provision of this Agreement is determined to be void and unenforceable by an authority of competent legal jurisdiction, that sentence or provision shall be severed from this Agreement, and the remainder of the Agreement shall continue in full force and effect.

**ARTICLE XIV
HOLIDAYS**

- 14.1 The following shall be considered holidays for full-time bargaining unit employees:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
President's Day	Veteran's Day
Good Friday	Thanksgiving Day
Memorial Day	Day before Christmas
Independence Day	Christmas Day

- 14.2 In order to receive pay for a holiday, an employee must be in a work or paid leave status or other reason acceptable to the Town on the scheduled work days immediately preceding and following the holiday.

- 14.3 Holiday compensation will be in accordance with the following:

- a. Full-time employees shall receive one hundred twenty (120) hours of holiday pay per year. Holiday pay will be at straight time and shall be paid in two equal installments per fiscal year. Payment shall be prorated for new hires and for those who leave the Town prior to the end of the half-year for which payment has been made.
- b. Full-time employees who are scheduled to work a holiday may take the holiday off, with approved leave, if coverage can be provided. Full-time employees hired prior to July 1, 2005 may designate up to four (4) holidays per year as "holiday leave," if coverage can be provided. Any eligible full-time firefighter who utilizes this special holiday leave for a holiday shall have ten (10) hours deducted from his/her annual holiday payment, or shall reimburse the town if he/she has already received payment for that holiday. For example, if a full-time employee hired prior to July 1, 2005 takes Christmas Day as holiday leave and has already received payment for that holiday, he/she shall reimburse the town for ten (10) hours pay for that day.
- c. Full-time employees who work a holiday shall be granted one hour of compensatory time for each hour worked on the holiday, in addition to the

compensation received for holidays under a above. Such compensatory time off shall be taken at a future date that is mutually acceptable to the employee and the Fire Chief. Such holiday time shall be taken not more than one hundred twenty (120) days following the holiday. Holiday time shall be taken in increments of four (4) hours.

- a. Part-time employees, who work on a holiday shall be compensated at time and one half (1.50) their base hourly rate.

15.3 Selection of Vacation. Employees will be entitled to select their vacation periods subject to the approval of the Fire Chief. Vacation must be requested at least one week in advance, with consideration given first to those employees who submitted the request first, and

among those submitting at the same time, to those with the longest seniority. Not more than one employee may be on vacation leave at any one time. The minimum amount of vacation that may be taken at any one time will be four (4) hours. In the sole discretion of the Fire Chief, vacation may be granted if requested with less than one week's notice and may be granted to more than one employee.

- 15.4** Maximum Accumulation of Vacation Leave. A full-time employee may carry over for a maximum of one (1) year a maximum of eighty-four (84) hours of vacation, which hours may be added to that employee's earned vacation as set forth in Section 15.1 above. - a. Personal illness, physical incapacity, bodily injury or disease, which is not covered by workers' compensation from either the Town's or another employer.
- b. Enforced quarantine in accordance with public health regulations.
- c. To meet medical and dental appointments when the employee has made reasonable effort to secure appointments outside his working hours, provided the Fire Chief is notified at least one (1) week in advance of the day on which the absence occurs.

The Town may investigate any absence for which sick leave is requested, including requiring an employee to submit to a medical examination.

17.4 Report of Illness. On the first shift of absence from work due to illness, the employee will report the illness to his or her supervisor at least one (1) hour before the beginning of the scheduled shift. Nothing in this section will preclude the payment of sick leave to an employee who cannot comply with provisions of this section due to extenuating circumstances.

9. An employee may not make a monetary payment to another employee instead of working a shift or half-shift of special leave.

19.7 Separation Leave. An employee who retires under a normal or disability retirement according to the provisions of the Connecticut Municipal Employees Retirement System may utilize his/her vacation accrued at the time of retirement, subject to the maximum time allowed, as separation leave. An employee may engage in additional employment unless the additional employment could interfere with the proper and effective performance of the duties of his/her position, result in a conflict of interest as defined by the Town's ethics ordinance, or if it is reasonable to anticipate that such employment may subject the Town to public criticism or embarrassment in the opinion of the Town Manager. Such outside employment shall be terminated if it is disadvantageous to the Town.

- a. Outside employment includes any work for which an employee earns income as defined by the Internal Revenue Code.

layoff of another part-time bargaining unit employee. The laid off full-time employee must be available to work the part-time hours and, if he is not, the employee shall be laid off.

- d. The Town shall not layoff full-time employees for the purpose of undermining the Union. Moreover, it is not the Town's intent to use this provision to convert the department from one with a combination of full-time and part-time employees to a department made up of part-time employees.

27.4 A laid off full-time employee shall be placed on a reemployment and preferential hiring list for a period of eighteen (18) months from the date on which his/her layoff occurred. In the event of a full-time opening, reemployment shall be offered to the most senior person on the reemployment list. In the event of a part-time bargaining unit opening, such shall also be offered first to the most senior person on the list. An offer of reemployment shall be sent by certified mail to the last known address of the employee. All Station Uniforms shall comply with OSHA or NFPA standards. The Town shall provide the initial issue of station uniforms for new employees and shall provide initial issue required for any change in the uniform standard. After initial issue of station uniforms or uniform components issued for a change in the uniform standard employees are responsible for maintaining and ordering

replacements as to insure they have an adequate number of Station Uniforms meeting the uniform standard in a condition as to portray a professional image.

- 29.3 Equipment. The Town shall continue to provide each employee with his/her own protective equipment which meets or exceeds OSHA or NFPA standards. This equipment shall include such fire suppression gear as designated by the Fire Chief, and subject to modification as standards and departmental needs change. The Town shall also maintain a reasonable number of sets of spare fire suppression gear to be used in cases where an employee's personal protective equipment has been damaged or contaminated, or is temporarily out of service for repair or maintenance. The Town shall bear the cost for all issued protective equipment including cleaning, repair, and replacement as needed.

The allowance or credit shall be prorated for newly hired employees based on date of hire.

ARTICLE XXX MISCELLANEOUS

- 30.1 Apportionment of Work. The Town affirms its intent to work toward more equitable distribution of workload among employees in the Fire Department. The Union acknowledges that the Town must allocate work to those qualified to perform that work, and that special expertise in certain areas may be recognized in making assignments outside of the routine activities of fire suppression, rescue and EMS.
- 30.2 Mutual Aid Response. The Town and the Union both acknowledge the value of mutual aid and the need for it in responding to many types of incidents. Therefore, nothing in this Agreement shall be deemed to limit the Fire Department's participation in mutual aid – either coming into the Town's service area or going out for assistance to other jurisdictions. However, the Town does not intend to use mutual aid in lieu of Fire Department services or as a means of diminishing work opportunities for employees. Whenever there is a mutual aid response either into or out of the jurisdiction of the Fire Department, the Fire Chief or his/her designee shall assess the incident and available resources, and call in personnel if deemed necessary to ensure proper coverage.

APPENDIX A

DRUG AND ALCOHOL TESTING PROCEDURES

SCREENING

The administration of screening tests to detect the presence of drugs or alcohol in members of the Fire Department will be on a random basis, following any injury or accident during work hours or in traveling directly to or from work, or upon reasonable suspicion that a member is using or is under the influence of illegal drugs on duty, is abusing legal drugs or alcohol in a way that affects his/her performance, or is reporting for duty under the influence of drugs or alcohol.

TESTING BASED UPON REASONABLE SUSPICION

A member of the Department may be required to undergo testing based on "reasonable suspicion" when objective facts and observations are brought to the attention of the Fire Chief or an officer and, based upon the reliability and weight of such information, the Fire Chief or officer can reasonably infer or suspect that the member is using illegal drugs, is abusing legal drugs or alcohol, or is reporting for duty under the influence of drugs or alcohol. Reasonable suspicion must be supported by specific articulable facts which may include, but are not limited to: reports and observations of the member's drug related activities, such as purchase, sale or possession of drugs, associations with known drug dealers or users, observations of the member at known drug or drug related locations; an otherwise unexplained change in the member's behavior or work performance; an observed impairment of the member's ability to perform his/her or her duties.

A member of the department shall report the basis for his/her reasonable suspicion to the Fire Chief or his/her designee. The Fire Chief or his/her designee shall decide whether to direct the member to submit to testing. Prior to so deciding, the Fire Chief, or his/her designee, may meet with the member. If such a meeting is held, the member may request Union representation. However, the meeting shall not be delayed for the purpose of having a representative of the member's choice.

If the employee is ordered to submit to a drug and/or alcohol test, the employee shall be given a brief verbal statement of the basis for reasonable suspicion. A verbal directive to submit to a drug and/or alcohol test shall be confirmed in writing, but the testing shall not be delayed pending issuance of such written directive.

REFUSAL TO SUBMIT

The refusal by a member of the Department to submit to a drug or alcohol screening test, shall result in the member's immediate suspension without pay and subsequent disciplinary action which may include dismissal from the Department.

TESTING PROCEDURES

1. The member shall provide a urine sample for purposes of testing for drugs or controlled substances other than alcohol. The employee shall provide a sufficient amount of the

sample to allow for initial screening, a confirmatory test, and for later testing if requested by the employee.

If the employee is ordered to submit to testing for alcohol, the employee shall submit to a Breathalyzer test to be administered by an agent designated by the Fire Chief. If the Breathalyzer tests positive for the presence of alcohol, the employee shall provide a blood sample for the confirmatory test.

2. Initial drug screening will be conducted using Enzyme Immunoassay testing. No sample will be further tested upon a negative screening for controlled substances, including marijuana. After the negative screening, the second sample will be destroyed.
3. Each member of the Department being tested on the basis of reasonable suspicion may consult with and be accompanied by a representative of the Union. The Union representative may confer with and advise the member before and after the testing process, but shall not participate in the process in any way, except as an observer. The testing process will not be delayed because the Union representative is unable to be present.
4. During the testing process, the member shall cooperate with requests for information concerning use of medications, and with other requirements of the testing process such as acknowledgment of giving of a urine or blood specimen.
5. The integrity of the testing process will be maintained with the utmost consideration for the privacy of the person being tested. Only one person, of the same sex as the person being tested, may be present during the collection of a urine specimen. If the necessary precautions to ensure legitimacy of the sample can be arranged without undue cost, an observer will not be required.
6. Prior to testing for drugs, two separate containers, supplied by the laboratory conducting the testing, shall be prepared for each member being tested. Each container shall have affixed a code number and the date of collection. The code numbers shall be recorded, together with the member's name and signature. Two (2) specimens will be taken at the time of collection and shall be sealed in the presence of the member being tested.
7. The officer or laboratory supervising the test shall ensure that the appropriate chain of custody is maintained in order to verify the identity of each sample being tested.
8. Each and every positive Enzyme Immunoassay test will be confirmed using Gas Chromatography - Mass Spectrometry. Only if confirmed will a test result in a positive report.
9. Drug testing or blood alcohol testing will be performed by a laboratory licensed or certified by the Connecticut Department of Health Services.

10. Any member whose drug or alcohol test results in a positive report may, within ten (10) days of receiving notification of such result, request in writing to the Fire Chief that the second sample be made available for retesting at a licensed or certified laboratory of the member's choosing. The Department will deliver the sample to such laboratory to assure the chain of custody. This second testing shall be at the expense of the member.

RESULTS OF DRUG SCREENING TESTS

Members of the Department will be notified of the results of all screening tests at the earliest appropriate time (to be determined by particular facts and circumstances). Those test results which do not indicate the presence of a drug or alcohol will be sealed and there will be no indication of testing in the member's personnel file.

POSITIVE TEST RESULTS

Any test resulting in a positive report will be referred to the Fire Chief for a complete investigation. Upon completion of such investigation, if it is found that a member has used any drug which has not been legally prescribed and/or dispensed, or has abused a legally prescribed drug or has reported for duty under the influence of drugs or alcohol, a report of such shall be prepared. Upon service, the member against whom such report has been made shall receive a copy of the laboratory test results, and will be immediately suspended from duty without pay, and shall be subject to disciplinary action which may include discharge.

OPPORTUNITY FOR REHABILITATION

The opportunity for rehabilitation (rather than discipline) shall be granted once for any employee who is not involved in any drug/alcohol related criminal activity and voluntarily admits to alcohol or drug abuse prior to testing.

Any member who voluntarily admits to the Fire Chief his/her use of or dependence upon illegal drugs or alcohol shall be afforded the opportunity to participate in a mutually acceptable rehabilitation program. The first time a member tests positive for drugs or alcohol in the course of random testing, he/she shall have the same opportunity for rehabilitation as does a member who voluntarily seeks rehabilitation. The opportunity for rehabilitation will only be provided prior to any allegation of impropriety by the public or another member or prior to initiation of an investigation of the member's use or sale of a controlled substance by any competent state or federal authority.

The member shall use accumulated sick or vacation leave for the period of absence for the purpose of obtaining treatment. All treatment will be at the sole expense of the member, to the extent not covered by the member's health benefits plan.

As part of any rehabilitation program, the member may be required to undergo periodic screening for drugs or alcohol. If, after screening the member has tested positive, he will be immediately suspended and will be subject to discharge.

ADMINISTRATIVE PROVISIONS

1. Time spent by an employee undergoing tests, as provided in section 2 and 3 herein, shall be compensated pursuant to the terms of the collective bargaining agreement.
2. Any alteration, switching, substituting or tampering with a sample or test given under this agreement by any employee shall be grounds for immediate suspension without pay and subsequent disciplinary action which may include dismissal from the Department.
3. Any violation of the confidentiality provisions of this agreement, if committed by an employee of the Town, shall be grounds for disciplinary action against the employee. The Town will also take appropriate action against a person and/or organization not employed by the Town for violation of the confidentiality requirements.
4. Notwithstanding anything to the contrary above, this agreement shall not abrogate nor in any way interfere with the Town's right to hire employees, promote employees, lay off employees, appoint and evaluate employees, to select probationary employees for permanent appointment or to act pursuant to law. Furthermore, this agreement and procedure shall not in any way affect, interfere with or have any bearing on matters within the jurisdiction of the Fire Department.
5. The Town and the Union agree that the provisions of this agreement and its application may be considered by the parties' representatives who may recommend, if appropriate, amendments to this Appendix.
6. Separability - If any clause or provision of this Appendix or any addition thereto is decided by a court or administrative agency of competent jurisdiction to be in violation of any federal, state or local law, the remaining clauses and provisions of this Appendix shall remain in full force and effect.
7. Disputes concerning the interpretation or application of this Appendix shall be subject to the contractual grievance procedure, except for disciplinary matters.
